

## ISE International Toddler Group

Starting in September 2011, parents are invited to join their children for the **International Toddlers Group at ISE**. Designed for children ages 1 to 3 years, this will be a great opportunity for the children to enjoy fun activities with international friends. Moms and Dads can meet new parents, set up playdates, share toddler resources. Each time the group meets, our wonderful Ms. Piret will do a fun dance/sing/play activity with children. There will also be time for free play.

If you're finding it difficult to keep your toddler entertained and stimulated, ISE Toddler Group is a good setting for you and your toddler!

## Evening Care

**What:** The idea of Evening Care is to provide supervision for kids whose parents are not able to pick them up after the regular school day. The kids who have homework do their homework (the supervisor will be available to help with homework), there are options for free play, board games, drawing, a movie. Weather permitting the students will also go out to the playground with a supervisor. The structure of the evening care is not similar to an activity where the instructor actively leads the group all the time.
